

Have the Home Beer Pure

Whatever you drink outside, let your home beer be Schlitz. That is pure beer. No bacilli in it --- nothing to make you bilious.

Beer is a saccharine product, and germs multiply rapidly in it. The slightest taint of impurity quickly ruins its healthfulness.

We go to the utmost extremes to prevent that. Cleanliness is a science where Schlitz beer is brewed.

We even cool the beer in plate glass rooms, in nothing but filtered air.

Then we filter the beer. Then we sterilize every bottle.

And Schlitz beer is aged. The beer that makes you bilious is green beer.

When you order beer for your home, get the healthfulness without the harm.

Get a pure beer - get an old beer - get Schlitz.

CLERK HERE PROVES OBSCURE

Receives an Anonymous Message
That Bridegroom Was Not of
Age, and He Refused
Him a License.

Arthur Smith, a brass worker employed at the Smith & Davis Manufacturing Company's plant, and Miss Anne Pinnell of No. 1771 North Garrison avenue demonstrated yesterday afternoon that love will find a way, and in spite of their failure to procure a marriage license in St. Louis because some one telephoned the marriage license clerk that Smith was only 19 years old, they succeeded in carrying out their plan by going out to Clayton, where they procured a license and were married by Justice Greenfelder.

The young bridegroom, after his experience in St. Louis, prepared to convince the

authorities at Clayton that he was of age, and when License Clerk Wetzel told him that he did not appear to be 21 years old he produced an insurance policy, the first one ever used in Clayton for the purpose, to prove that he was as old as he claimed to be.

The proof being considered sufficient, the license was issued and the young couple were married in the presence of the bride's mother and elder sister and returned triumphantly to the Pinnell home.

Mr. and Mrs. Smith intended to take out a license to be married in St. Louis. They arrived at the Recorder's office about 3:30 o'clock yesterday afternoon and applied for a license. Emil Leonhardt, the marriage license clerk, refused to issue the license because he had received a telephone message shortly before the arrival of the young couple, informing him that Smith was only 19 years old. The man who telephoned to Mr. Leonhardt believed the youthful applicants for the license, he concluded that Smith was not of age, and declined to grant the license. Nobody at the establishment where Smith works could tell who telephoned to prevent his getting a license.

When Mr. Leonhardt beheld the youthful applicants for the license, he concluded that Smith was not of age, and declined to grant the license. Nobody at the establishment where Smith works could tell who telephoned to prevent his getting a license.

CHILD BITES HER TONGUE NEARLY OFF BY A FALL.

Grace Ahearn's Desire to Ride
in Father's Wagon Causes
the Accident.

DEPRIVED OF SPEECH.

Little Grace Ahearn, 4 years old, the daughter of Thomas Ahearn, of No. 109 South Fifteenth street, by a fall from her father's wagon, bit completely through her tongue about an inch from its tip yesterday morning.

She is now at the City Hospital and the wound is sewed up. But the little one is still suffering greatly and can neither talk nor eat.

The child's father was starting to work and had a one-horse huckster's wagon drawn up in front of his home. His daughter had come to bid him good-by for the day. Ahearn had mounted to his driver's seat in the conveyance when the girl begged that she be allowed to ride a block with him. He laughed and bade her climb in at the rear of the wagon.

She did so, and seated herself upon the slightly projecting bottom of the wagon, clutching timidly to the sides. Ahearn then gave the word to the horse, and the animal, impatient, stepped briskly forward. The jerk caused the child to lose her seat. She fell to the ground, with mouth open and

tongue protruding, and alighted upon her chin. Her sharp little teeth were forcibly clenched upon the tongue. The flesh was penetrated, and the bitten section of the tongue hung upon a mere shred of cartilage.

A policeman who witnessed the accident summoned an ambulance, and the child was taken to the City Hospital. Here Senior Physician Abekken sewed up the cut, which, under the circumstances, was a delicate and difficult task.

PARISHIONERS WILL MARCH IN A BODY.

Rock Church Catholics to Take Advantage of Indulgence Granted by Pope Leo.

SERVICES AT THE CATHEDRAL.

Father Brongseest Will Lead the Procession—Time for Obtaining Indulgence Was Extended.

Several hundred parishioners of St. Francis Xavier's Catholic Church, Grand and Lindell avenues, and members of local sodalities and confraternities, will march in a body this afternoon at 2 o'clock to the old Catholic Cathedral, on Walnut street, between Second and Third streets, thence to St. John's Church, Sixteenth and Chestnut streets, and from there to SS. Peter and Paul's Church, Eighth street and Allen avenue.

The object of the visits is to take advantage of a privilege granted Americans by Pope Leo XIII., to obtain the indulgences connected with the holy year jubilee. The jubilee year closed on Christmas, but the time of obtaining the indulgences was extended for six months by his Holiness, Pope Leo XIII. Originally, it was necessary to make a pilgrimage to Rome to obtain the indulgence. Later he granted the privilege to Americans without it being necessary to leave their own cities.

To obtain the indulgence it is necessary to comply with the following conditions: Four special churches in each of the large cities are selected, each of which must be visited fifteen times, and stated prayers recited at each visit.

Preparatory to making the pilgrimage, the candidates for the plenary indulgence must approach the sacraments of confession and communion. If the visits are made by the members of a church in a body, led by the parish priest, only three visits to each church are necessary.

The pilgrims to-day will be led by the Reverend Father, Henry C. Brongseest, pastor of St. Francis Xavier's Church. At each of the churches visited prayers will be recited in concert and hymns sung. The pilgrims will wear badges of their respective sodalities and of the Sacred Heart Society. The procession will leave Grand and Lindell avenues promptly at 2 o'clock.

During the Holy Year, the last of the century, thousands of pilgrims from all over the world flocked to Rome to visit the holy shrine and receive the plenary indulgence. This indulgence is granted only once in 100 years, and is one of the greatest within the gift of the reigning Pontiff. The privilege granted by Pope Leo to the American people is the first of the kind in the history of the Catholic Church.
